

Mr. Speaker, the bill will be brought up again tomorrow morning. The gentleman from Arizona [Mr. STUMP] of the Veterans' Affairs Committee and his ranking member, the gentleman from Mississippi [Mr. MONTGOMERY] and myself will be offering an amendment to that bill, which will add approximately \$65 million to the appropriations bill to increase the funding for the medical care delivery system portion of that bill.

I would hope that when Members do come to the floor tomorrow that they will watch for the dear colleague letters that we have sent out showing the

support of the Veterans of Foreign Wars, the American Legion, the Disabled American Veterans, AMVETS, the Vietnam Veterans Association, and all of the other major veterans organization.
